Golden Homes North Island Endurance Series Series Articles Amendment

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Supplementary Regulations of the above named event. It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

Series Article Amendment

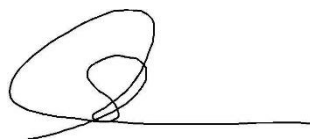

1. Amend Article 21 as set out in the schedule below

1. 21 Pit Stop Crew

- 21.5 Dedicated Car Controller:** Is optional, if there is a Dedicated car controller, they must stand in front of the Vehicle, in clear view of the driver at all times. The Dedicated Car Controller may be in a position in Pit Lane to assume control of the Car one(1) lap before the Car crosses the Control Line at Pit Entry. The dedicated car controller is responsible for the safe release of the car into pit lane after the completion of all pitstop duties. The Dedicated car controller must not touch the car unless pushing it and must stay in a visible position to the driver at all times.

Reason: *To provide clarification for when the dedicated car controller is permitted to in position.*
